

Derby GP Training Memo

TO:
All Derby GPSTR Trainees

FROM:
Viv Longdon
Derby GP Specialty Training Manager

DATE: August 2017

Dear Trainee

The Car Parking Office have asked me to make you aware of the following information:

All GP trainees on rotation at Royal Derby, who require a full-time Manor parking permit, will now be required to pay for that service through Standing Order rather than deductions through wages. This is due to the transfer to St Helens and Knowsley Trust.

When collecting your car parking permit please have your:

- * bank address
- * account number and sort code
- * inform the administrator that you need to pay via Standing Order.

Regular monthly payments will be agreed in line with the current staff tariff for the required length of the rotation. It is the responsibility of each member of staff to ensure that they contact the Car Parking Office if parking contributions are not being paid, otherwise they will be liable to pay arrears which will be backdated to cover any unpaid period.

If you have any queries regarding parking, permits or payments please contact:
