

Park Medical Practice & Oakwood Surgery (CQC rated Outstanding)

One year Fixed term salaried GP with additional “buddy support” 6-8 sessions per week to start September/October 2018

We are a large forward thinking training practice with 4 sites.

We have a fantastic opportunity for salaried GP to join our multi-disciplinary team. Both of our practices have been rated as “Outstanding” by CQC and have been awarded the RCGP Quality Practice Award on 2 occasions. We take pride in delivering quality care to our patients and have a strong training and personal development ethos. We are looking to recruit another member to our team who shares the same vision and values.

The ideal candidate will be based at one site but must be prepared to travel to our other surgeries. We can be flexible with start and finish times. We will have a full induction and offer GP mentorship buddy support from a very experienced GP who you will have planned meetings to help and support/mentor you

You will be invited to attend regular full team meetings including multi-disciplinary team meetings, educational meetings, mental health, significant events, training afternoons and many social events.

We are looking for a self-motivated GP that can work on their own, but must be proud to be part of our wider team. Someone who is forward thinking and is not afraid of change but at the same time does not forget the needs of the patients or the team they are part of.

We can offer flexible working hours ie late starts or early finishes.

For an informal chat or further information please call or email heather.simpson@nhs.net or call 01332 821470
